

Dear President Karimov and relevant Uzbek leaders:

Out of concern for the citizens of Uzbekistan, I urge you to end the use of forced labor of children and adults in the cotton sector.

Yours is the only government in the world that systematically forces its citizens to produce cotton, under threat of punishment, as a matter of state policy. This practice violates fundamental human rights and condemns Uzbekistan to a cycle of under-development as generations are denied education, health-care and decent work opportunities.

The time to end state-orchestrated modern-day slavery in Uzbekistan is now. We urge you to take the following steps immediately:

1. Instruct government officials and citizens acting on behalf of the government to not coerce anyone to pick cotton and prosecute those who do;
2. Set the price for raw cotton above production costs so farmers can hire workers and set minimum wages for work in the cotton sector sufficiently high to attract voluntary labor;
3. Allow all human rights organizations, activists and journalists to investigate and report on the cotton sector without the threat of retaliation;
4. Permit unfettered access for the ILO to conduct a survey of the application of ILO Convention No. 105 on the Abolition of Forced Labour, with the participation of the International Organisation of Employers and International Trade Union Confederation; and
5. Reform the cotton sector, including by reporting all state expenditures and revenues from the cotton sector to the Uzbek Supreme Assembly (Oliy Majlis), ending the practice of re-allocating agricultural lands as a penalty against farmers who do not fulfill cotton quotas, replacing quotas with incentives, and de-monopolizing agriculture input markets and sales markets.

Хурматли Президент Каримов,

Мен Ўзбекистон фуқаролари учун жиддий хавотиримни билдириб, Сизни пахта секторида мажбурий меҳнатдан фойдаланишга дарҳол чек қўйишга чақираман.

Сизнинг ҳукуматингиз давлат сиёсати доирасида ўз фуқароларини пахта ишлаб чиқаришга мунтазам мажбурлайдиган дунёдаги ягона ҳукуматдир. Бу сиёсат Ўзбекистон халқини бора-бора тараққиётдан ортда қолишга мустаҳиқ қилади. Чунки ёш авлод тўлақонли таълим ва тиббий хизматлардан мосуво бўлади, аҳолининг учдан бир қисми, энг салоҳиятли ва ғайратлилари эса муносиб иш излаб юртдан чиқиб кетади.

Ўзбекистонда давлат томонидан ташкил этилаётган замонавий қўллик амалиётига чек қўйиш вақти етди. Биз Сизни зудлик билан қўйидаги ишларни амалга оширишга чақирамиз:

1. Ҳукумат номидан иш кўрадиган мансабдор шахслар ва фуқароларга ҳеч кимни пахта теришга мажбурламаслик ҳақида топшириқ берилсин;
2. Пахта хомашёси учун уни ишлаб чиқариш харажатларидан юқори нарх белгилаш орқали фермерларга ишчилар ёллаш имконияти берилсин ва кўнгилли ишчи кучини жалб этиш учун пахта секторидаги ишларга етарли даражада юқори минимал ҳақ белгилансин;
3. Барча инсон ҳуқуқлари ташкилотлари, фаоллар ва журналистларга тазйиқлар таҳдидисиз пахта секторида юз бераётган воқеа-ҳодисаларни текшириш ва хабар беришга рухсат этилсин;
4. Халқаро меҳнат ташкилотига Иш берувчилар халқаро ташкилоти, Касаба уюшмалари халқаро конфедерацияси ва Озиқ-овқат соҳаси ишчилари халқаро иттифоқи иштирокида ХМТнинг мажбурий меҳнатга чек қўйиш ҳақидаги 105-конвенциясининг қўлланишини ўрганишга ҳеч қандай тўсиқларсиз рухсат берилсин;
5. Пахта сектори, жумладан, мамлакат парламенти (Олий Мажлис)га пахта секторидаги давлат харажатлари ва даромадлари ҳақида ахборот тақдим этиш, шунингдек, пахта режасини бажармайдиган фермерларга жазо сифатида уларнинг қишлоқ хўжалиги ерларини қайта тақсимлаш амалиётига чек қўйиш, мавжуд квоталарни рағбатлантириш билан алмаштириш ҳамда қишлоқ хўжалиги маҳсулотлари бозорлари ва сотиш бозорларини монополиядан чиқариш йўли билан ислоҳ қилинсин.
